IRIS GARDENS

1956

MRS. L. B. LAWSON
P. O. Box 314
Valley Center, Calif.

GREETINGS for 1956

— May we take this opportunity to thank our many customers for their splendid orders, and also those who wrote cards and letters expressing their satisfaction and thanks for the extras.

I know you will be happy to hear that my husband's health has greatly improved since our move to Valley Center.

Visitors are always welcome, but a special invitation to you at IRIS BLOOMING TIME, March 15 to June 10, with our peak bloom about May 1st.

We hope that many of you who are in Los Angeles this spring for the A.I.S. annual meeting, April 25 to 28, will find time to visit us also. Valley Center is 9 miles N.E. of Escondido, on the road to Mt. Palomar, where the famous observatory is located. We are on the main road . . . just look for our sign.

Sincerely,

FRANCES J. LAWSON
